

Touchet Booster Club

2011 Sports Camp Application Instructions

www.touchetboosters.com

The Touchet Booster Club seeks to provide matching funds to Touchet High School Athletes to encourage and support participation in 2011 Sports Skills Camps, consistent with the Booster Club's mission to increase support for Touchet High School athletic activities and encourage athletes, staff and the community to work together to build school pride and the feeling of one community.

The Booster Club welcomes submittal of 2011 Sports Camp Application requesting matching funds, with the following considerations:

- Requests for Sports Camp matching funds will be considered upon completion of the TBC Sports Camp Application Form, to be submitted 30 days in advance of the Booster Club's regular meeting for consideration. Please plan to submit your matching funds application well in advance to enable you to meet camp registration deadlines.
- Eligible sports camps are only for those team sports currently being played at Touchet High School (Football, Volleyball, Basketball, Baseball, Softball and Cheer). Team and individual requests will be considered, but tournaments or summer leagues are not considered camps for Booster Club matching funds.
- The Booster Club will consider matching funds applications requesting up to ½ of the total camp cost up to \$100/individual. Athletes requesting funds for multiple camps will be considered on a funds-available basis at the discretion of the Booster Club.
- Individuals requesting camp funds must be eligible for Touchet High School sports (be grade eligible [entering 9th through 12th grade], enrolled in Touchet High School or qualified as Touchet students for the purposes of extracurricular activities in the coming school year, and in good standing with the school district).
- Upon approval of completed applications, the Booster Club will make out the matching funds check to the name of the camp, not to the named individual requesting funds. The payment check will be given to the individual so the individual can submit the Booster Club check along with their matching funds to accompany their application; the TBC is not responsible for mailing checks to the camp.
- Participant follow-up after the camp will be required, such as an in-person report at a Booster Club meeting and/or a written Thank-you note to the Booster Club.

Interested Touchet High School athletes are invited to submit their completed 2011 Sports Camp Application to Cathy Schaeffer, Touchet Booster Club, PO Box 223, Touchet, WA 99360 or via email to cschaeffer@columbiainet.com.

Please feel free to bring any questions to the Touchet Booster Club at their regular meetings, which are posted at www.touchetboosters.com or call Cathy at 509.301.8227.
